ELIGIBILITY

Students must maintain a 70 in each of their classes, both academic and elective, for each grading period in order to be eligible for a Varsity Letter.

Note: The points listed above are the Maximum points awarded for each category. If students are not meeting expectations for their role points will be deducted accordingly. Deductions will be based on unexcused absences, poor rehearsal/performance behavior, lack of effort, and poor preparation. In order to receive the Varsity Letter students are expected to participate both on and off stage. Actors will need to work backstage and technicians will need to perform at least once.
